REQUEST FOR CERTIFICATE OF CORRECTION

Attention: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The name Matthew Walters appears incorrectly on the face of the patent as the assignee, an informality or discrepancy which is entirely evident because said Matthew Walters is the sole inventor and patentee who made no assignment.

His name Matthew Walters was entered inadvertently on the Notice of Allowance and Fee(s) Due as assignee, but said Matthew Walters was thereon properly identified as the inventor. Therefore, in spite of such evident clerical error, the Patent and Trademark Office did not observe that Matthew Walters could not be both the sole inventor and sole assignee, and did not take notice that no document of assignment is of record in the application.

In any event, a Certification of Correction should simply be issued to correct this insubstantial and entirely evident discrepancy so the public will not be confused even though the Office and patent practitioners will not be confused by such a minor error. Text of proposed Certificate of Correction is attached hereto.

The amount of \$100.00 is enclosed to cover the fee therefor.

Please charge any deficiency in fees and please credit any excess in fees in connection with this submission to Deposit Account 07-1985.
